Oranmore Primary Schools Parents Association **Sep-2010**

Representing Scoil Mhuire & Scoil Iosaif Naofa

We extend a warm welcome to all parents. For the school year of 2010/2011 we are looking for parents to volunteer as **Class Representatives** to join your child's Parents Association. Our aim is to have at least 2 representatives for each class who then operate a "buddy" system if both are not available to attend one of our monthly meetings.

- Our meetings are usually held on the 1st **TUESDAY** of each month at 8.30pm upstairs in the library.
- A total of 10 meetings are held throughout the school term.
- The aim of the parents association is to enable members to play their part in ensuring the best possible education for their children. By attending these meetings you can help to keep the committee informed of any day to day issues relevant to your child or those in your child's class. You can also advise on any information you as a parent would like or need.
- You can share information on after school activities that **may** interest other parents, make suggestions on how to improve or enhance your child's school experience.
- It is also a great way to meet other parents, to see how the school runs and to put forward any ideas you **may** have. It is also an opportunity to swap ideas and opinions on parenting issues.

You can also opt to get involved in the planning and organising of some of our annual activities. These include organising our annual AGM, arranging Santa's visit to the schools each **December**, running the table quiz in **May** each year, Fundraising.

Joining the association can be of benefit to both you and your child. If you are willing to volunteer as **your** child's class representative for this year please complete and return to the teacher asap.

If your Childs class is not represented on the Parents Association Committee then it is very difficult for the Committee to truly represent your child.
